## Helping local school to achieve good Results and enhance their enrolment in Higher education and briefing about technology

### Objective:

- i. To help the children to select their field of study after 10<sup>th</sup>
- ii. Helping children to get to know about the present technology
- iii. Creating awareness of Entrepreneur and advantages of being one

### Description:

We visited the Government High school Huddukula, Bangarpet (T) and met the students, and had a chance to interact with them. During our conversations with students, we find how they prepared for their 10<sup>th</sup> Board exams and what field of course they are willing join next and we got to know what they want to achieve in the future.

We helped them by briefing about the three major course that is Science, Commerce and Arts. And there were around 15 students with the 15 different ways of thinking. Even some of them already decided what course they are going join. We gave them the ideology of how the subjects will be and How important is KCET exam is and how to study parallelly.

Students were also educated with Entrepreneur and with the reference of **Vineeta Singh** and what makes a Entrepreneur different from others and with the help of Mr. Prakash Even we got to know about the Entrepreneur in their perspective

It was such a monotonous time for us being at college and being stressful with our work being indulged in the AICTE activity was the greatest stress buster for us. It was a much needed break where we invested our time qualitatively.

Faculties of government school, Huddukula, Bangarpet (T) Mr. Prakash sir and Miss Saroja mam helped us and appreciated the efforts of students of ATMECE for consistently helping and encouraging them in the wellness of the society

### **My contribution :**

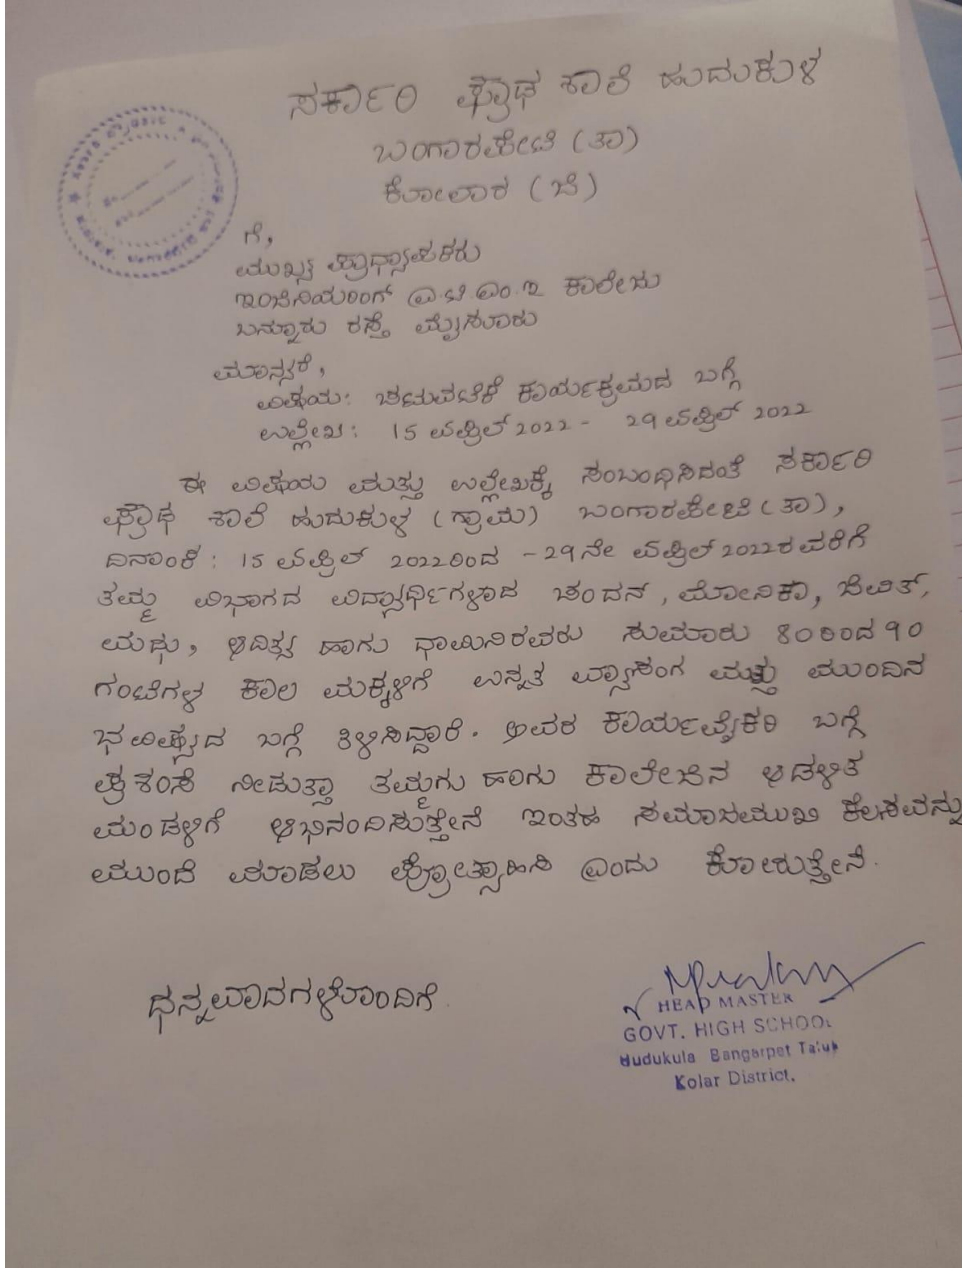

I got the chance to meet the Soo many different kind of Students and share the knowledge what I had. I had a conversation with students who are all wanted to be a software Engineer in the feature I got a chance to teach him about the Software Development and Software Testing and few basics of programming language.

Also with that I got the chance to meet another young mind who wanted to be an Entrepreneur in the field of Designing with reference to Vineeta Singh I shared the knowledge what I had.

**Conclusion** :- on conducting this Activity we are able realise the importance of Education and how we can change the World with the power of knowledge.

# **SWACHH BHARAT ACTIVITY AT CHIKKA ANKANAHALLI GRAMA PANCHAYAT, BANGARAPET[T]**

## **Objective:**

- i. To motivate the Localite of the chikka ankanahalli village to keep their surroundings clean.
- ii. Taking initiative and helping them in cleaning the village.
- iii. Creating awareness of Swatch Bharath in the Villages.

## **1. Description:**

As per guidelines from AICTE and VTU, apart from technical knowledge and skills, to be successful as professionals, students should have excellent soft skills, leadership qualities and team spirit and also Students should have entrepreneurial capabilities and societal commitment.

To fulfil this, along with our friends group, We have conducted a Swachh Bharat Program at Chikka ankanahalli, grama panchayat, Bangarapet [T], from 10.05.2022 to 25.05.2022 under AICTE activity number 15 That is contribution to any national level initiative of Government of India Which includes Swachh Bharat as a program in it.

We visited nearby dirty places in that village of bangarpet and started to clean ourselves. So, we took initiative in Cleaning the surroundings of the village and thereby we created awareness and importance of Swatch Bharath Andolan and we performed our social responsibilities towards development of clean society in the villages of Karnataka.

Apart from cleaning the village surroundings, we visited the grama panchayat office building of chikka ankanahalli village of bangarpet and we shared our thoughts about the importance and necessity of adopting Swatch Bharath Abhiyaan, which was first initiated by Our honorable Prime Minister Narendra Singh Modi. Thus, we helped them in knowing the importance of Cleanliness in villages.

## 2. Conduction of activity and photographs

---

### 3.My Contribution:

I created the awareness of Swatch Bharath Abhiyaan by taking individual initiative in cleaning surroundings of the village “Chikka ankanahalli” of Bangarpet District.

---

**Conclusion :** On Conducting this activity we are able to realize how much Pollution we Causing to our Environment. And we are able to to stop them using “Swatch Bharat Program” and we are able to realize the locales about it

Details of Panchayat :-

Name :- Leelavathi V

Ph no:- 9141280033

### **OUTCOME:**

After completion of the Swachh Bharat activity in Chikka ankanahaali grama panchayat, Changes occur among the beneficiaries including members of panchayat. The activity was carried out keeping in mind the objectives of the program.

## **CREATING AWARENESS ABOUT EYE DONATION TO PEOPLE AROUND US**

### **Objective:**

- i. Create public awareness
- ii. Eye donation directly gives vision to another human being
- iii. Let someone see the beauty through your eyes

### **Description:**

Our activity was about **eye donation** , the eye donation camp was organized by “LIONS CLUB -SMARTCITY” Mysore it was collabed with JSS Hospital Mysore to spread the awareness about eye donation .

We took initiate to create awareness among people around us .

In most of the cases donating eye can help gifting eye sight to many people.

Some of my friends they took initiate to donate their eyes to blind people , this activity was done to a social cause.

Secretary of lions club-smart city Mysore, Mrs girija s helped us and appreciated the efforts of ATMECE for consistently encouraging the people in the wellness of the society.

### **My contribution :**

I was able to create the awareness and need of eye donation among my friends. And let them know how our act impact on others life and gives them a new hope of life. And was succeeded in taking there consent by there will to donate there valuable eyes. For someone better days

**Conclusion :** The awareness is good in this population, the quantum of people pledged is very low. To make the dream of converting the awareness into pledging and procurement of eyes, the knowledge about eye donation is highly required.
